

Are You Covered?

Consolidated Smart System's Protection Plan Policy Coverage ensures that you are covered in the case of any equipment problems associated with your DIRECTV programming. For a nominal monthly or annual fee, your Protection Plan provides you with peace of mind. You can relax, knowing we'll take care of you if you need to call us out for any system related issues.

Ask your Representative about Bundle Packages & SAVE!!!

All customers with Protection Plan are notified that if they have a service issue that is not covered by the Protection as stated above, a minimum truck roll charge of \$79.00 and parts costs will be assessed.

If you are not home for your appointment or we have to reschedule due to a minor being left alone, or NO TV is present at install or service has been restored and you did not cancel the work order, you will be assessed a \$40.00 no-show fee.

All customers residing on a "Bulk" service property have the Protection Plan as part of their monthly rate, however, the Protection Plan policy exclusions still apply. If the service issue is an item not covered by the Protection Plan, a truck roll charge and applicable parts will be charged as stated.
